

BBO Bridge, 11/10/2020

We have 3½ tables. NS (first pair listed) will set up the table for each round. Be sure and get out of BBO after each round to ensure that the history resets. Seven 20-minute rounds of 3 hands per round (6⅔ minutes per hand, enough time if we don't dawdle). We have one no sit-out. Please try to stay on schedule; quit and move on when the time for that round is up.

I am handling the scoring. Please send me your total IMPs and hands played if less than 18 at the end of the evening. Be sure and refresh a couple of times before writing down your scores for later reporting. Please keep your all-purpose bridge sheet handy for BBO IDs.
