

## BBO Bridge, 9/29/2020

**General.** Please print and keep handy: (1) All-purpose bridge sheet for BBO IDs, phone #, etc. (2) Detailed instructions for setting up BBO table. (3) Movement setup for current session (this sheet)

**Tonight.** We have 2½ tables, so we have a sitout. NS (first number listed) will set up the table for each round. Be sure and log out of BBO after each round to ensure that the history resets. Seven 25 minute rounds of 4 hands. We are using the full Howell movement again; everyone plays everyone. Please try to stay on schedule. We have been doing well, so let's keep it up. An average of 6¼ minutes per hand seems to be enough. Reminder: **Do not** get out of BBO between *hands*, only between *rounds*.

Bruce is handling the scoring; please send him your total IMPs and number of hands played if less than 16. Be sure and refresh *History* a couple of times before writing down your scores for later reporting.
