

BBO Bridge, 9/8/2020

General. Please print and keep handy: (1) All-purpose bridge sheet for BBO IDs, phone #, etc. (2) Detailed instructions for setting up BBO table. (3) Movement setup for current session (this sheet)

Tonight. We have 3½ tables. Pair 8 is the sit-out. NS (first number listed) will set up the table for each round. Be sure and log out of BBO after each round to ensure that the history resets. Seven 20-minute rounds of 3 hands per round (6⅔ minutes per hand, plenty if we don't dawdle). We are using the full Howell movement again; everyone plays everyone. Please try to stay on schedule. We did pretty well last week, so let's keep it up. An average of 6⅔ minutes per hand seems to be enough. Reminder: **Do not** get out of BBO between hands, only between rounds.

Bruce is handling the scoring and will send instructions. Be sure and refresh *History* a couple of times before writing down your scores for later reporting.
